**BUILDING A FUTURE-READY DISTRICT**

## **2018 BOND REFERENDUM**

Building Educational Space to Alleviate Severe Overcrowding and Projected Future Enrollment Increases at our Middle School and High School

The Westbury School District is doing everything it can to alleviate the severe overcrowding issues at Westbury Middle School and Westbury High School as part of our effort to provide students with the resources necessary to excel both in the classroom and beyond. On May 15, 2018, the Westbury School District community will be asked to vote on a bond plan that addresses these issues. We have scheduled several community forums to ensure every resident in the District has an opportunity to learn about the bond plan, its financial impact on homeowners, and to ask questions of the District's administration and Board. We encourage you to attend one or more of these forums so that on May 15th, you can cast an informed vote.

### **COMMUNITY FORUM SCHEDULE**
